DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1,16-18, 32-36, 42-47, 49, 52, 53, 58, 59, and 145-147 are rejected under 35 U.S.C. 102(b) as being anticipated by Pogonowski (US 4319393).

Pogonowski discloses, with respect to claim 1, a method, comprising:
coupling an end of a first tubular member 13 to an end of a tubular sleeve 14;
coupling an end of a second tubular member12 to another end of the tubular sleeve;
abutting coupling the ends of the first and second tubular members; and
radially expanding and plastically deforming the first tubular member and the second tubular member. With respect to the remaining claims, the reference teaches the limitations as claimed, including slots 19, 20, and expansion device 10. See especially Figs. 1-2 and col. 4, line 11 – col., 5, line 41.

Allowable Subject Matter

3. Claims 2-5, 25-27, 37-41, 48, 54-57, 60-63 are allowed.

4. Claims 6-15, 19-24, 28-31, 50, and 51 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
